Summary

Intermediate-level graphic designer who has skills in Adobe Suite (Illustrator, Photoshop, and InDesign) and Canva, as well as a desire to use these skills to serve others in both big and small capacities. Seeking a full-time position with a focus to create logos, graphics, advertisements and other forms of media and marketing materials to help fulfill a necessary goal. Committed to having a strong work ethic, being detail oriented and task driven, possessing good communication skills and taking feedback, as well as being a good leader and team player which I have gained through my many experiences, including serving in the field of ministry and working retail.
